

IMS Gold

Meet the Lab Event 2022

25th – 27th October

Join the IBM Information Management System (IMS) Development Team and IMS Gold community at IBM's Silicon Valley Lab in San Jose, California! Your influence has made IBM IMS a leader in the enterprise software industry. Help us continue this momentum and learn about the latest in IMS by joining our experts and adding your expertise to strategic plans that will shape the future of IMS. You will hear from the architects, executives, and developers of IBM IMS and participate in design thinking exercises.
